

THE HEAVENS DECLARE

God of my strength
Fairest of all
Your praise is beautiful
Blessed is Your name
Forever exalted
Fill up this place with Your praise

And all I sing to You
Shows You the way I feel

The heavens declare Your glory
Hallelujah, crown You in majesty
The heavens declare Your worship
Hallelujah, praises to You our King

Generations praise You
God of Glory
All the earth sustained
By Your Word
All the nations will bow down
And worship You
They'll worship You
