

WHEREVER I GO

I know that You are in control
That You know what I need
And that I never need to fear
What tomorrow is gonna bring
And so I give it all to You
I trust You with everything
There's no one else I need but You
But You

So I look to the One who saved me
You're the only One I wanna live for

Take me as I am
Make me just like You
I'm living for Your cause
I will do Your will
I'm telling the world
Wherever I go
Jesus I am Yours
I'm Yours forevermore

Wherever I go
Wherever I go
I'm Yours forevermore
