

## **YOU LORD**

You said the word  
The heavens came to be  
You spoke the truth  
The world fell at Your feet

You heal with one touch  
You are the good inside of me  
Everything that You are  
Is beautiful to me

Though I walk through the valley  
You hold my hand  
Closer than my closest friend  
Could ever be

You Lord are my life  
The creator of it all  
Maker of the heavens  
You Lord are the author  
Of all eternity  
We lift high Your name

You are holy  
You are holy  
You are all I'll ever need  
You are all I'll ever need
